New Case Report

12/25/2020

We would like to inform you of new COVID-19 cases. We have had eleven residents positive within the last 24 hours. The residents have been moved to our Covid-19 unit. We have fifteen residents with active COVID-19 on our designated COVID-19 unit. We are monitoring all residents three times a day for any changes and testing immediately if changes are noted. All of our staff were retested on Wednesday and all results came back negative. We continue working with the local health department on any further recommendations.

Please continue to check our website for updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at (210)828-0606.

Sincerely,

Irene Salinas, RN, MSN, LNFA
