

Alamo Heights

Health and Rehabilitation Center

WEEKLY UPDATE

5/26/21

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. We currently do not have any positive cases of COVID-19 at our facility. We continue to work very hard to prevent the potential spread of infection and are following all of the recommendations of our federal and local health officials.

We would like to make you aware that we are currently open for visitation. Please call our facility to schedule a visitation and we would be happy to assist you with that.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at (210)828-0606.

Sincerely,

Irene Salinas, RN, MSN, LNFA
Administrator
