New Case Report

6/10/2021

We would like to inform you that we have had one new COVID-19 case in our facility in a resident. We have tested all residents and staff. All residents and staff are negative. We are monitoring all residents three times a day for any changes and testing immediately if changes are noted. We will also be conducting weekly testing for all residents and staff for the next two weeks. We continue working with the local health department on any further recommendations.

Please continue to check our website for updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at (210)828-0606.

Sincerely,

Irene Salinas, RN, MSN, LNFA
