

Alamo Heights

Health and Rehabilitation Center

WEEKLY UPDATE

6/25/20

Dear Residents and Families/Representatives,

We are happy to report that, as of today, Alamo Heights Health and Rehab has no confirmed cases of COVID-19. We continue to follow the recommendations of our health officials and practice the enhanced safety measures that are listed on our website and previous communications.

We know the past few months have been a big adjustment for everyone, especially our residents. While our staff is working is very hard to make sure they are safe, we also want to make sure they are having some fun! We continue with hallway bingo and celebrations. Residents are also enjoying many one-to-one in room activities such as spa days, movie trivia, reading, and current events among others.

As always, please continue to check our website for updates. We will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at (210) 828-0606.

Sincerely,

Irene Salinas, RN, LNFA
Administrator
